Good morning All,

Please see below message -

I closed us out with no records /referral - "Shirley – Lets close this out. I spoke with the requestor on 3/24 and followed up with 2 emails that same date. You called him last week. No response.

I referred him to the **LaPlace response & FOIA Online websites**. I attached the checklist & cost sheet.

There may be some text in the two 3/24 emails I sent him you may want to use in the response letter." Please let me know if I should go back and re-open AR, because this request closed out in April and now Deanna Bradford is saying AR had records.

Thank you
Shirley L.

James,

The air division have records that I have uploaded in FOL that came out of Relativity. This means that Shirley's close out needs to be changed to records uploaded and she needs a memo from David to release the records, for I have included him in the Awareness Review email. I only see a cost sheet for Ruben but I don't see one for Fran if she reviewed records and I am not sure about Wren who also have records.

Thanks
Dee
